

"The Rabbit's Foot" is the personal star hopping space ship of that loveable Lepus Carnivorous, [Jaxxon](#). It appeared but once in issue #16. That story can now be found in "Doomworld", volume 1 of *Star Wars: A Long Time Ago...*, Dark Horse Comics' trade paperback series reprinting the entire Marvel run.

These stats are based on the YT-1210 which "The Rabbit's Foot" vaguely resembles. For more information on the YT-1210, check *Galaxy Guide 6: Tramp Freighter* and *Pirates and Privateers*.

Official D20 stats for Jaxxon's ship can be found in issue 4 of Wizards of the Coast's *Star Wars Gamer* magazine.
